Scholarships shall be available to students attending:

- Asbury College
- Eastern Nazarene College
- Nazarene Bible College (CO)
- Olivet Nazarene University
- Southern Nazarene University
- Trevecca Nazarene University

**GUIDELINES**

All persons eligible for scholarships must meet the following requirements:

1. All applicants must be born again Christians and must be admitted to the college or university.
2. Any high school graduate applying must have a "C" average to qualify. To continue to qualify, the student must maintain a "B" average and must carry at least 12 hours. Once awarded, the scholarship may be given for successive years during undergraduate work.
3. Scholarships are to be awarded on the basis of need together with academic excellence. The funds are to be applied only to tuition and may be in varying amounts between a minimum of $300 to a maximum of $1,500.
4. Students of Nazarene colleges, other than the above named schools, may qualify if the above school does not have the desired courses needed for the specific major. They must, however, attend one of the above named schools for the first two years.
5. Scholarships are available as follows:
   The applicant will apply to the college of his/her choice (among those listed above). When the college agrees to accept the student, the college will submit the student's application together with their three recommendations to the Education Commissioner for a scholarship. Scholarships will be granted for one year and will be divided equally by terms/semesters by the Financial Aid Office. If the student fails to attend one or more terms during the year, that portion of the scholarship must be returned to the International Board of Education. Application forms will be available from the Financial Aid Offices of the above named colleges.
6. Because of Ozie Claude Mingledorff's special interest in the young people of the Fitzgerald Church of the Nazarene in Fitzgerald, Georgia, priority shall be given to students from that church who meet the other requirements of this scholarship.

**Applications and recommendation forms are available in the Financial Aid Office of the above named institutions.**
