Think with Clarity.  
Act with Integrity.  
Serve with Purpose.  
Dream with Confidence...

AT SOUTHERN NAZARENE UNIVERSITY, WE DON'T JUST BELIEVE IN YOUR DREAMS. WE EQUIP YOU WITH THE BEST EDUCATION WHICH GIVES YOU THE CONFIDENCE TO MAKE YOUR DREAMS A REALITY.

We know you are selecting a college for more than just its location or school colors. You want to go somewhere that will prepare you for the future. Your future.

At Southern Nazarene University, we want that for you too. That is why we work hard to make sure our degrees are supported by some of the top curriculum available.

We hire highly-qualified faculty who not only know the ins and outs of the profession you seek, but who truly wish to see you succeed individually. And we make sure you leave SNU prepared for a great job in human relations. That’s why we can encourage you to not just dream, but to dream with confidence.

WITH UNIQUE PROGRAMS
At SNU, our Human Relations program is housed under three departments. It is a structured, 45-credit, multidisciplinary major that spans psychology, sociology, and speech communication. We designed this program to prepare you for a variety of careers that focus on personal interaction in human relations.

As a student in SNU’s Human Relations program, you will develop skills that prove to be an asset to your career. Through rigorous courses, caring professors and unique opportunities, you will leave SNU with more than just a piece of paper. By the end of your journey at SNU, you will be able to demonstrate effective interpersonal communication skills, effective written communication skills, foundational understanding in psychology and sociology, and conceptual knowledge of core courses in the major.

WITH UNIQUE OPPORTUNITIES
At SNU we strive to make your education as individual as you are. Outside of a 45 hour core curriculum, you will select an additional 13 hours from an extensive list of elective options, targeted to round out your education. Psychology of Personality, Urban Sociology, Principles of Counseling. See a full list on our website or ask for a academic catalog when you visit campus.

We offer great opportunities outside the classroom as well, like a broad range of internships designed to fit your interests while expanding your education. Local news station. Non-profit organizations. Radio stations.
Or branch into the communication facet of the major and join the Council for Christian Colleges and Universities Best Semester Program. Learn more at www.bestsemester.com.

WITH HIGHLY-QUALIFIED PROFESSORS
Because of the broad spectrum of the Human Relations program, you get the best professors from three separate schools. Which means you have three times the professors interested in your personal success.

Our professors are not only qualified to teach, they hold high accomplishments within their professional fields. You will study with Ron Wright, Alan Young, and Pam Broyles who is an accomplished professional author and editor of books, textbooks, academic articles and curriculum. Professor Pam Broyles holds membership and leadership roles in the National Communication Association and Oklahoma Speech Theatre Communication Association.

You will take classes from Dr. Alan Young who has 18 years of teaching experience and holds graduate degrees in three disciplines.

WITH PREPARATION AFTER GRADUATION
At SNU we will give you the tools to obtain your dreams. From pursuing your graduate degree to immediately entering the workforce, we are here to help pave the way for your success.

Konstance Wamble is an SNU Human Relations graduate who is currently working as a graduate research assistant in Bizzell Memorial Library at the University of Oklahoma. She is attending graduate school studying Library and Information Studies.

“I got to where I am today due to encouraging family and friends. Attending SNU was one of the best decisions I ever made,” says Wamble who was given the President’s Award as well as being a McNair Scholar. “I got the opportunity to be a part of a wonderful community, learned how to establish a professional attitude and developed problem solving and critical thinking skills.”

Wamble plans to continue her graduate studies at the University of Oklahoma to earn her Master’s degree.

If a dream is a blueprint of a goal not yet achieved, at SNU we partner with you to focus your efforts to attain whatever it is you hope to accomplish. Thus, we say DREAM WITH CONFIDENCE.
