“I have been blessed with some amazing opportunities,” says Wood. “While pursuing my educational goals, I have been able to live on three different continents and acquire two additional languages.”

“Along with a supportive family, God really blessed me with a wonderful community while at SNU. Both the amazing professors and the campus staff was a huge source of support and encouragement. Specifically Dr. Frank Johnson and Dayna Ford provided me the guidance and mentorship that made academic success possible. Without them, I would not be where I am today.”
