

What to Expect at Legacy Visit Day:

Check-in will begin promptly at 8:30 a.m. in the Hills Residential Complex (see [campus map](#)). The event will conclude at approximately 3:30 p.m. in the same location.

Breakfast and Lunch are provided for you and your family. Just let us know if they plan to attend.

Parents are welcome to attend Legacy Visit Day sessions. We realize that parents have lots of questions about college, so we have designed a special session specifically for parents while students attend a class.

Faculty will join us for lunch. Faculty will be seated with students and parents according to academic department. This purposeful time is designed for maximum interaction so faculty can answer your questions about classes, majors, jobs and graduate schools.

Lodging is available at a reduced rate at several nearby hotels (be sure to mention you're here for a visit to SNU). To find out more about lodging, including on-campus apartment options, click [here](#).

\$1,000 Scholarship drawing (for seniors) will take place at the end of the event. Must be present to win.
