

SPACE GRANT

Veterans, do you have the love for math, science or engineering? Would you like the chance to work on an internship at NASA? Then look below.

Information about the National Space Grant and College Fellowship Program

<http://www.nasa.gov/offices/education/programs/national/spacegrant/about/index.html>

Home page of the Oklahoma Space Grant Consortium

<http://okspacegrant.ou.edu/>

Internships can happen during a semester or during the summer
