Position: Southern Nazarene University invites applications for a full-time faculty position in the Department of Mathematics beginning August 2016. Review of applications will begin immediately and continue until the position is filled.

Qualifications: A successful candidate should:
- Hold a Ph.D. in mathematics or applied mathematics. However, candidates who are ABD and nearing completion will be considered. Preference will be given to candidates who have completed research and/or significant study in analysis or topology.
- Demonstrate a strong commitment to undergraduate teaching in a Christian liberal arts university (Wesleyan tradition preferred).
- Be committed to the pursuit of academic excellence and scholarship.
- Demonstrate active participation in professional organizations.
- Be committed to ongoing professional development. Early career candidates are encouraged to apply for Project NExT.
- Show enthusiasm for student interactions.

Responsibilities:
- The faculty member will be responsible for teaching a variety of undergraduate courses, including both general education courses and upper-level courses.
- This position also includes responsibilities for individual student advising, supervising the SNU Math Club, and faculty committee service.
- The new faculty member may have the opportunity to serve as a liaison for secondary math education with the SNU School of Education.

Rank and Salary: Commensurate with qualifications and experience. An excellent benefits package is included.

Department of Mathematics: The SNU Mathematics Department offers B.A. and B.S. degrees in Mathematics and a B.S. degree in Mathematics Education. The Mathematics Education program is accredited by the National Council of Teachers of Mathematics. Strengths of the department include preparing students for future careers and serving the needs of other departments in the SNU Division of Science and Mathematics. When Mathematics majors graduate from SNU, they pursue either a career in industry or graduate study in math or a related field. Employers of the former group include oil & gas companies, commercial airlines, and insurance companies. The Math Education program boasts a 100% pass rate for all of its graduates on the Oklahoma Subject Area Test in Mathematics for over 20 consecutive years. Its graduates have been recognized with local, regional, and national teaching awards, including the Presidential Award for Excellence in Mathematics and Science Teaching.
The University: Accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools and the State Board of Education, Southern Nazarene University (SNU) is a private, liberal arts university with a variety of undergraduate, graduate and adult education programs. As a Christian community of scholars, we model the hospitality of grace, the pursuit of truth and the practice of discipleship, all within the Wesleyan-holiness tradition, as we prepare graduates who THINK with clarity, ACT with integrity and SERVE with purpose. SNU has an enrollment of approximately 2000 undergraduate and graduate students.

Location: SNU is located on a 44-acre site in Bethany, a western suburb of Oklahoma City. Oklahoma's largest city, Oklahoma City is at the crossroads of three interstate highways (1-40, 1-44, and 1-35) and is served by several national and regional airlines. Oklahoma City was listed in August 2011 as one of the top 10 best places to live in the United States by the Wall Street Journal. SNU also has an additional campus in Tulsa, OK, which is 90 miles from Oklahoma City.

Application Process: Candidates wishing to apply for this position should submit: 1) letter of application; 2) curriculum vita; 3) a two-page statement highlighting the candidate's perspective and understanding with regard to the integration of Christian faith and learning; 4) three letters of reference; and 5) copies of academic transcripts to: Dr. Melany Kyzer, Vice President for Academic Affairs, Southern Nazarene University, 6729 N.W. 39th Expressway, Bethany, OK 73008. Phone (405) 491-6600; email mkyzer@snu.edu
